Subject: Queen's Award for Voluntary Service

2 June 2020

Dear Rotary Members,

Today we are delighted to announce that Kids Inspire have been awarded The Queen's Award for Voluntary Service thanks to the support we receive from all our amazing volunteers.

The Queen's Award for Voluntary Service is the highest award given to local volunteer groups across the UK to recognise outstanding work done in their own communities. It was created in 2002 to celebrate the anniversary of The Queen's coronation. It is the MBE for volunteer groups.

When things re-open and it is safe to do so we will be inviting you all to a celebration at Hargrave House.

Thank you for your continued support, we would not have received this honour without the incredible commitment from our community and businesses.

Stay safe and hope to see you all again soon.

Kind Regards

Paula
