

## The Rotary Club of South Woodham Ferrers Swimarathon

**Please tell your Sponsors about Giftaid.**

*giftaid it*

**Giftaid** is a relief granted by the Inland Revenue to assist Charities to raise additional funds. Charities can reclaim tax at standard rate on all donations or sponsorship received, provided the donor or sponsor is a **UK tax paying individual**. The donor must provide the Charity with their name and address and agree that their donation or sponsorship is a giftaid donation.

Effectively, **any sponsor who is a taxpayer** and agrees to give the above information and ticks the **Giftaid** box on the sponsorship form can have this donation increased at no extra cost to themselves, by 25%, courtesy of the Inland Revenue.

All you have to do is explain to your Sponsors about **Giftaid** and ask them to complete the attached sponsor form correctly, which really means **printing their name and address** and always including their **postcode**. Whilst you and your team are swimming we will **highlight those sponsors who haven't indicated that they wish to give Giftaid for you to ask if they would allow us to claim Giftaid and tick the box**. Then make sure you collect all the money as quickly as possible, complete the form and give this to your team captain who will return it to our Swimarathon Treasurer.

**It is easy for you and your team.** The Swimarathon committee will administer the rest. **It's got to be worth a try and the local community will benefit as a result of you asking for Giftaid.** Last year **Giftaid** added just over £1000 to the sum raised, so please try really hard to get people's full names and addresses to enable us to claim Giftaid.

### **Photographs at the event**

Each year the Rotary Swimarathon Committee will be asked whether photographs can be taken during the Event to which we have to say "**no cameras please**".

The problem is that as an organisation, The Rotary Club of South Woodham Ferrers has a "**duty of care**" to ensure that we are operating within the law regarding Child Protection.

Our policy is covered in detail on our website [www.swfswimarathon.co.uk](http://www.swfswimarathon.co.uk)

To assist us maintain our **duty of care** we have to ask that you leave all cameras outside the pool. It is our intention to provide each Team Captain with a team photograph free of charge. This is providing the Captain has obtained the authority by ensuring **that parents or guardians of any person under the age of 14 has signed** the appropriate box on the sponsor form. Extra copies can be obtained at a cost of £2.00 per copy.

We would also ask that you allow us to use your team photograph in the Focus after the event when we report the results. Please let us know if you object to this and your team photo will not be included. We hope that you find this added service worthwhile.
