Dear Friends,

I am so grateful that you have sent us a gift of **£500.00** after attending one of our recent speaking engagements. You are helping to delivering vital, free healthcare to people in desperate need, who would otherwise not have access to safe medical care.

Your generosity will provide urgent care to patients like Djazim, who desperately needed orthopaedic surgery but had no hope of ever getting it. Thanks to generous donors like you, Mercy Ships delivered the operation that Djazim needed, and set him free from a lifetime of pain and disability.

Mercy Ships has achieved great things in its 40-year history, transforming thousands of lives through surgery, and training and mentoring medical staff in order to effect tangible, sustainable change. There is still so much more to do: two-thirds of the world's population cannot access safe, affordable surgery when they need it. But with your support, we can change these odds.

Thank you for your continued support; together we are making a lasting difference in the lives of so many people.

Yours sincerely,

Carly Robb-Watson
