15 January 2020

Dear South Woodham Ferrers Rotary Club,

Christmas Donation

We the Under 10's Team would like to thank you, for your very generous donation Which enabled us to undertake a Christmas activity with the children with whom we work and support.

Your suggestion of Mangapps Railway to see Santa was perfect. Being a smaller, family run venue, this allowed us to have exclusive hire for a set period of time, providing our children with the time, space and security to create special memories.

On subsequent visits to the children since then, it has been evident how much they enjoyed this activity and it that it was something that would not have usually undertaken. We were able to provide them all with photos of themselves with Santa framed for Christmas along with selection boxes which were well received.

We are also grateful for the additional donation that you gave us, we hope to use this towards other seasonal activities throughout the year as we feel this is where the children receive most benefit. We will of course let you know our plans, when these have been undertaken and give you some feedback.

Thank you again for your kindness and helping to make a difference. We wish you and your families a happy, healthy and wealthy 2020.

Yours sincerely

A handwritten signature in black ink, appearing to read "Zoe Palmer".
