

HORATIO'S GARDEN

Improving the lives of everyone affected by spinal injury

12 April 2022

Dear Mick,

Thank you so much to the Rotary Club of South Woodham Ferrers for the gift of £250 to Horatio's Garden Charity, following the recent talk given by Sue Jacobs of the Chelmsford County Tangent. It is so kind of you to support our work to improve the lives of people affected by spinal injury.

Horatio's Gardens, in the heart of spinal centres, are uplifting natural sanctuaries for patients, their families and the NHS staff in contrast to the clinical environment of the wards.

Your support is vital to help fund the care of the gardens and the charity's garden therapy and arts programme – bringing purpose and creativity to rehabilitation for patients spending long stays in hospital.

We are so grateful for your help - thank you for being part of Horatio's Garden.

With my best wishes,

Olivia
