

Dear Ken, Keith and all at The Rotary Club of South Woodham Ferrers,

Thank you so much for your warm welcome and hospitality last night. It was such a pleasure to meet you all.

As well as promoting the work of our Charity, I also try to make my presentations as helpful and educational as I can, so I do hope your members were able to take some useful information from my visit. Please do reiterate that our services are open to anyone living in Essex who need support with the challenges that hearing loss can bring.

Thank you also for your generous donation towards our work; as I am sure you realised last night, we will ensure this money helps us to expand our services and support more people. As a small charity, it can be so hard to raise the funds to keep going, and I really appreciate your support, both with my work hat on, but also with my personal experience of hearing loss.

With very best wishes to you all,

Sophie Ede (*nee Biebuyck*)
