Dear Mr Wragg

On behalf of the Trustees, staff and volunteers of the Chelmsford Foodbank, we write to both acknowledge and thank you for your gracious donation of £380 in support of the Chelmsford Foodbank, especially in support of the food distribution centre in South Woodham Ferrers.

Our office and warehouse in Beehive Lane Chelmsford support the management and supplies for the food distribution centre we have located South Woodham Ferrers to save clients from that region having to come to Chelmsford to redeem their vouchers.

Due to the Covid19 pandemic we have had to organise a local delivery service from our centre in Clements Green Lane for those in isolation in South Woodham Ferrers and will keep that service going for as long as it is necessary.

Once again, thank you for your support with we very much appreciate

Yours sincerely
