

New changing room rules

After our recent refurbishment of the swimming pool changing rooms we want to keep the area as clean as possible. To help us achieve this, everyone will need to take their shoes off before entering the changing rooms.

We encourage you to bring flip flops for the changing room if you do not wish to go bare foot. They should not be worn outside the centre.

This will begin when we reopen on Saturday 21 December.

We hope that you enjoy the changes that we have made.

Kind regards,
